Dear Mr. Mullard:

Re: Transfer ML 43106 Project, from Idaho Development Company to Northern Stone Supply, Inc., S/003/012, Box Elder County, Utah

On April 12, 1993 the Division received the signed transfer page from Mr. Donald Seehusen of Idaho Development Company. The Division's Acting Director approved and signed the transfer form on April 12, 1993 (copy enclosed for your records). The ML 43106 project is now formally transferred to Northern Stone Supply, Inc. as the operator with you as the contact. Northern Stone Supply is now the party responsible for reclamation of the site, annual reports, etc. Northern Stone Supply, Inc. has renamed the project as the Rocky Mountain Quartzite Limelight Green project.

Mr. Donald Seehusen, President of Idaho Development Company, will no longer be associated with the site.

Thank you for your help in resolving this permit transfer.

Sincerely,

Anthony A. Gallegos  
Reclamation Engineer
